Hello Everyone

See you next week..... on Tuesday May 16 at 8:30 am in EDC 301 at UBC's point grey Campus (direction to EDC building below)

### **Getting Ready for Institute (Reminder)**

There are a few things you need to do to get ready to get the most out of the institute.

First, you have yet to complete the pre-readings...make sure you do.....need to **complete pre-readings** (attached) to prepare for the first day.

Please read ALL of them...this way you can get the most out of the workshop and better understand the student experience.....there will be a test :-0

Secondly, you need to **bring all course materials** for the course you will be working on....syllabus, text book, current assignments, lecture notes, etc. You will need these for the homework on the middle day....May 17....there is no workshop that day...but you will have 3-4 hours of homework to complete.

### **Venue**

Engineering Design Centre ([EDC 301](#)) at the University of British Columbia Vancouver campus.
