One last reminder for this week

In addition to the pre-readings sent perviously I have attached two short articles that will be the focus of activities on the afternoon of the first day....read quickly just to be familiar...no need to deeply read.

Being familiar will help you use them to complete the activities

Complete pre-readings (attached to previous emails) you will get a binder with hard copies of them at the workshop

Bring all course materials (electronic is fine)
